and Housing

Why are we here?

Our Vision is to

establish and maintain a
healthy,

connected and

vibrant community

We will achieve this by

Bringing people together

to connect, learn, grow and strengthen through:

1. Responding to, supporting and engaging the community
2. Promoting community participation and inclusion
3. Supporting lifelong learning opportunities
4. Promoting health and wellbeing opportunities

Make connections
across the
neighbourhood

to take action

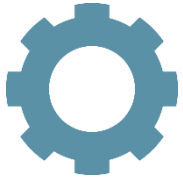

Collaboration	We believe that by working with others, more can be achieved. Building partnerships with other organisations and agencies is our way of work so that we can help people to find a sense of belonging.
Connectedness and Inclusivity	We believe in the power of people. We continually work to engage the members of our community in ways that meet their needs so that we can help create a healthy, connected and vibrant community. We welcome people of all ages, backgrounds and abilities.
Learning Organisation and Curiosity	We believe in the importance of learning opportunities for people throughout all cycles of life. We aim to stimulate curiosity as part of a Positive Ageing Strategy.
Health and Wellbeing	Positive health and wellbeing is fundamentally important for all segments of our community and is a key success factor for the Centre.
Accountability	In order to effectively maintain and grow our services for our community, we strive to become financially viable, transparent and accountable.

Our 6 priority areas:

- 
- 1 Engaging our community
 - 2 Learning excellence for people of all ages
 - 3 Encouraging and facilitating healthy and active lives
 - 4 Building our skills and resources
 5. Buildings and facilities support our growth and community strengthening
 - 6 Financially viable and accountable

Q: How will we know we're successful?

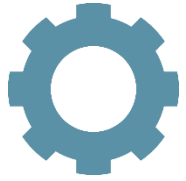

1. Engaging our Community....

Our community is engaged

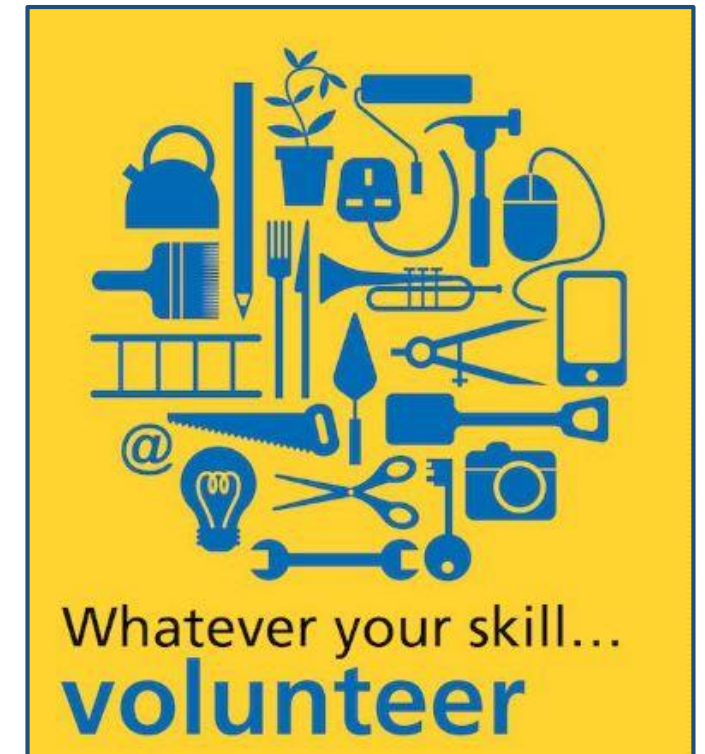

More people are using
our wide range of activities and services

more often

We have increased the pool of skills and creative practices

More volunteers are helping to run our programs

2. Learning Excellence for People all Ages

- Sorrento Early Learning

(18 mths – 5 years)

Service is viable, sustainable and high quality

Child-friendly extended family environment

Enrolments are strong

- School-aged Children

Explored and provided

interesting and engaging programs and
support networks

- Adult Learning

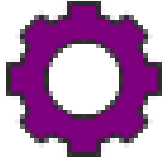

Educational offerings
and facilities have improved and
expanded

in order to

stimulate curiosity

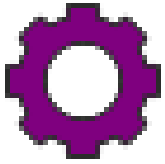

as part of a Positive Ageing Strategy

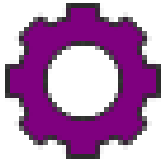

3. Encouraging and Facilitating Healthy and Active Lives

An effective range of
health and wellbeing
programs
successfully
engage our community

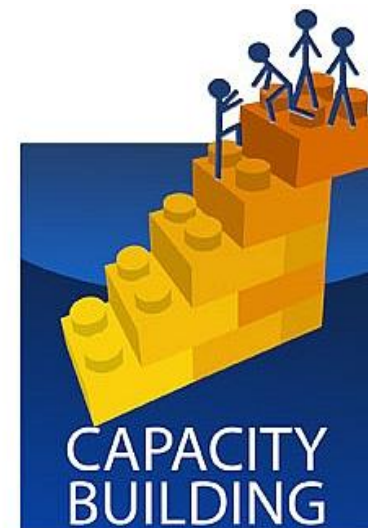

Working with sporting clubs
and community partners

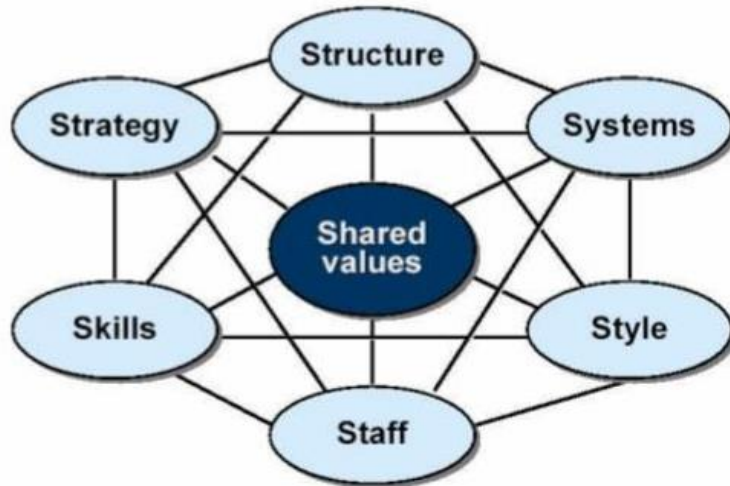

to provide access to a range of
active sport

and
passive recreational
opportunities

4. Building our Skills and Resources

A mature organisational framework
has been established, with

clearly defined roles and
responsibilities,

policies and procedures
and a

consistent and professional
presence

Administrative protocols are in place
to comply with
legislative requirements

Human Resources Plan in place
(staff and volunteers)

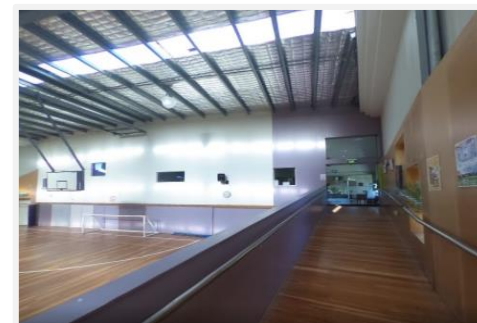

Marketing and Communications

Strategy created and operating

5. Buildings and Facilities Support our Growth and Community Strengthening

Current and future needs

have been **identified** and are **being met**

Existing assets are being **utilised**

to their full potential

Financially Viable and Accountable

Sustainable funding from government organisations is assured for quality programs, activities and projects

Suitable and ongoing sponsorship,
grants and
appropriate partnerships are being developed as
additional revenue streams

Diverse avenues to increase revenue through fee for service activities, programs and events are being developed

Financial viability with adequate control mechanisms and risk management measures are assured

THANK YOU
